REPORT

In a culturally diverse country such as India which has a rich culinary heritage and eating meals together is a part of social traditions followed since generations. With this background in mind and in order to bring motivate students to engage and culinary arts and share the food cooked by them with the teachers and the students of the College.

The food festival is very popular amongst the students and teachers since it takes them on a culinary trip with an opportunity to taste diverse Indian and western recipes. This event is also combined with the Entrepreneurship exhibition to motivate students to turn their culinary hobby into a business.
